A growing force in fluid control

The **THREAD MASTER** pressure test pump tests all types of installations such as heating, compressed air and refrigeration systems, oil installations, fire lines and small bore pipelines.

FIG 715-H

Handheld Pressure Test Pump

- Easy to operate
- 12 L Tank Capacity
- 40cm³ Volume / Stroke
- 5 Mpa Pressure

FIG 715-E

Electric Pressure Test Pump

- 250W Induction Motor
- 220V Voltage
- 50Hz Frequency
- 2.9LPM Water Flow
- 6Mpa Pressure

The Thread Master machine has a heavy duty design and a rugged durability that ensures premier pipe work every time.

Any professional workshop is not complete without a quality Thread Master machine.
